

Lesbian Singalong

Wherever you travel wherever you go
You'll find a lesbian keeping you in the flow
We drive buses and
We can mend cars
You'll find a lot of us singing in choirs (fa la la)

Chorus: Lesbian singalong
Lesbians deserve to have some fun
Highlight our virtues, discover our pearls
Everyone benefits from a lesbian in their world

Wonderful teachers and marvellous mums
Providing the best for our daughters and sons
Excellent at tennis
And football, of course
Horseriding, badminton, all kinds of sports (tra la la)

Chorus:

Comforting, humorous, fun-loving friends
Sharing life's journeys through twists and round bends
Offering sustenance, nurture and care
Walking together and using wheelchairs

Bridge: We climb up mountains
We sail on seas
Fly through the atmosphere as pilots or by trapeze
We maintain the health service practically on our own
Nurses and doctors or answering the phone, the phone ..

We write gripping novels
We act in stunning parts
We're found everywhere
In media and the arts
We chanted *Free Nelson Mandela*
We marched with the Suffragettes
Opposed cruise missiles at Greenham
Your ain't seen the last of us yet

Chorus:
